1.0 Establishment and Mandate:

Tanzania Institute of Accountancy (TIA) is an Executive Agency under the Ministry of Finance and Planning which was established and came into operations on 1st July 2002 to take-over the operations of the then Dar es Salaam School of Accountancy (DSA) under the Public Service Reforms Programme. DSA was established in January 1973 as a Government Training Centre by a special decree of the Minister for Finance, where initial objective was to conduct both short and long term courses for lower and middle level government accounting personnel in order to improve their work performance.

2.0 Accreditation:

TIA as a higher learning institution, is accredited by the National Accreditation Council for Technical Education (NACTE) to provide education in Accountancy, Procurement & Logistics Management, Research and Consultancy activities and other business-related academic fields. Also, its programmes (Accounting and Procurement and Logistics Management) are recognized by the National Board for Accountants and Auditors (NBAA) and the Procurement and Supplies Professional & Technicians Board (PSPTB) for exemption in professional examinations.

3.0 Campuses:

The INSTITUTE has **six (6) campuses** strategically located in Dar es Salaam, Mbeya, Singida, Mtwara, Mwanza and Kigoma regions to be close to its customer's country wide. The Dar es Salaam Campus also serves as the Institute's headquarters.

4.0 Our Vision:

"To be the Institute of excellence in the provision of Quality Business Education, Research and Consultancy Services in Africa".

5.0 Our Mission:

"To provide quality education, research and consultancy services in the areas of accountancy, procurement and other business related disciplines to both public and private sectors".

6.0 Our Core Values:

TIA envisages modeling, upholding and promoting the following values:

Excellence:	We work to achieve the highest standards in everything we do.
Accountability:	We are responsible for whatever results of our actions.
Integrity:	We strive to be transparent, honest and accountable in all areas of operation.
Collaboration:	We work together with other Institutions as well as partners and donors to positively impact our activities.
Innovation:	We strive to continually find new ways to improve and overcome emerging challenges.
Professionalism:	We adhere to uphold high quality academic status, ethical and quality standards to enhance professional competency by providing quality education to all.
